OLD BUSINESS

Christine Sapp reported that this year, school supplies collected early in the year are being allocated by Kelli Pritiken on an as-needed basis, not distributed to individual schools.

The Open House was a success. Mrs. Welch and her husband provided all snacks. This was much appreciated.

Germ Buster Project: Gear-Up had been contacted regarding assisting with the purchase of wipes for the Germ Buster project but indicated that they would not be helping this year. Dr. Wilde will be reimbursing PTO for the cost of hand sanitizers used in this project.

NEW BUSINESS

Methods of funding PTO activities were discussed. Teri Stenger will present the Rotary Club with a written request for funds to be considered. Lisa Welch will contact Mr. Shields, principal, regarding the school providing PTO with the folders needed for student information at the start of each year. Participating in programs through Ingles and BiLo was also discussed.

All present assisted in putting labels on bottles of hand sanitizer and then distributing sanitizer and wipes to all teacher boxes.

The next meeting was scheduled for the first Wednesday in February, 2009.

Meeting was Adjourned.

Respectfully submitted by,
Annie Hornsby, PTO Secretary
