Dear Friendswood High School Community Partner,

I hope this letter finds you well! As a member of the Friendswood community and a passionate supporter of our local school district, I am writing to you on behalf of the Friendswood High School Parent Teacher Organization (FHS PTO).

Our organization plays a crucial role in supporting the academic activities that enrich the experience of our students and teachers! Through fundraising efforts and community partnerships, the FHS PTO strives to provide resources and support that directly benefits our school community. These resources help to fund scholarships for FHS Seniors as well as teachers continuing education, enhance school facilities and technology resources, and sponsor various department events.

I am reaching out to local businesses like yours to request your support for our upcoming school year. By partnering with the FHS PTO, you not only invest in the future of our students but also demonstrate your commitment to the local community. Your contribution can take various forms, such as monetary donations, in-kind donations for events, or volunteering your time and expertise.

In recognition of your generosity, we would be delighted to acknowledge your contribution in our school publications, social media platforms and at our events. Please see the attached sponsorship commitment form for more information about sponsorship opportunities/recognition levels.

Thank you for considering this request for support. Your partnership with the Friendswood High School PTO will have a lasting impact on the education and development of our students!

Best wishes,

Kelly Cochran
FHS PTO President
