August 4, 2026

Dear Community Member,

We hope this letter finds you well. The Friendswood High School Parent Teacher Organization (FHS PTO) looks forward to the fast approaching school year! Like families and businesses in our community, we will strive to adapt to life's changing norms, all while focusing on our mission. The FHS PTO continues to work hand-in-hand with our administration to promote Friendswood High School and FISD, while encouraging and supporting our students and faculty. We recognize that the FHS PTO is one of many organizations at the High School, so we thought we'd highlight a few of our achievements from this past year. We awarded scholarships to graduating students, supported our students and teachers in need. Our goal is to achieve similar success in the coming school year, with help from our community.

For the 2026-2027 school year, FHS PTO is hoping to continue to involve more local businesses in our mission to facilitate success at FHS. As a valued member of the Friendswood community, we are asking for your help by providing a sponsorship to the FHS PTO. As we strive to foster an environment of continued outstanding academic and co-curricular achievements, with your assistance, FHS PTO can provide more support to our students and faculty. If you are not in a position to be a sponsor at this time but would like to support FHS PTO in another way, we welcome the opportunity to discuss ideas with you.

We hope you consider supporting the FHS PTO as we promote and encourage the students and staff of Friendswood High School. Please see the reverse side of this letter for our sponsorship commitment form and recognition levels. If you have any questions or suggestions, please contact Tia Williams at *tia.williams@besomeonesports.com*. We greatly appreciate your consideration and look forward to partnering with you.

Best wishes,

Tia Williams
FHS PTO President
